GROUP GUIDELINES & CONDITIONS

March 1, 2018

CONCEPT OF CO-FACILITATING:

- ❖ Archangel Michael has made it clear to us that Angel Valley is to co-facilitate together with the visiting facilitator, rather than just providing a facility. This means that Angel Valley is to give a 3-part presentation during all Group Events. Each component is designed to enhance the entire Angel Valley Experience, supporting both the facilitator and the group participants in making their own unique contact with the sacredness of the land, and with the subtle energies and less visible presences.
- ❖ The 1st part is a welcoming with practical details during or after the first dinner, presented by Amayra.
- ❖ The 2nd component is led by Michael. It entails *A Journey into the Intention and Focus of Being at Angel Valley*, which may include revealing underlying belief systems within the group. The format is an organic sharing based upon the energy of the group. This part takes about 1 hour.
- ❖ The 3rd part is presented by Amayra in the form of an introductory *Vortex / Angel Talk and/or Walk*. The main focus is to become familiar with the concepts and with the land. Duration about 1 hour.
- ❖ The facilitator determines when these presentations best fit in their schedule.
- ❖ In case a facilitator desires a more extensive format of the aforementioned presentations or a more comprehensive participation in the facilitation of the overall program, this can be arranged at an additional charge.

SPECIFIC GROUP PRICING INFORMATION:

- ❖ The group rate is all-inclusive, based on a 4-day/3-night minimum and is \$500.00 per person for 4 days / 3 nights. This rate includes: accommodations, vegetarian / vegan / raw/ living food meals (dinner on day of arrival, 2 days with 3 meals, breakfast on day of departure), use of one group meeting facility, and 3 presentations by Angel Valley staff as mentioned above.
- ❖ For group events of more than 4 days/3 nights the additional nights are \$175.00 per day/night per person.
- ❖ All pricing is based upon shared accommodations: 2 persons per room or cottage in single beds. King size beds for couples are available in some rooms and cabins.
- ❖ For single occupation there is an additional charge of \$40.00 per night. Availability depends on the size of the group. Therefore, reservations for a private room or cottage cannot be guaranteed until the day of arrival.
- ❖ Each room or cabin has its private bathroom, attached for the rooms, not attached for the cabins.
- ❖ Group participants who stay off-site pay \$320 for a 4-day/3-night event with meals included, \$115.00 per day.
- ❖ For extra nights before or after the group retreat, participants pay a discounted rate of \$144.00 per person with all meals included, \$104.00 with breakfast only, \$15.00 for an additional lunch and \$25.00 for an additional dinner. Participants make their extended stay reservations directly with Angel Valley's office.
- ❖ The stay of one facilitator is complementary when there are 10 or more paying participants.
- ❖ In case of 9 or fewer paying participants the facilitator pays \$144.00 per day/night.
- ❖ For 18 paying participants, two facilitators sharing one room are without charge.
- ❖ The main facilitator is invited to spend an extra day/night before or after the retreat as our guest.
